#### Dealer Comments

Why over pay? This is one of the best values around. The Grand Caravan was one of the first minivans to make it big in North America, and it's still one of the best.. Get it while it's hot! A low 30,466 gently-driven miles! What a deal! The van has powered exterior mirrors. Stay in charge with the vehicle's steering wheel controls. You'll also love this Grand Caravan's keyless entry, an air filter for the cabin, LED lamps in the rear, extremely convenient cruise control and low tire pressure warning.
